## SERVICE BULLETIN

**APPLICABILITY:** 2005MY Subaru Vehicles  
**SUBJECT:** Paint Code Information

**NUMBER:** 13-81-04  
**DATE:** 06/24/04

### INTRODUCTION

*Note: This is the most accurate information at the time of printing.*

The various paint manufacturers designate their own stock numbers and their formulas are updated on a continual basis. Some vendors may have different color names than the ones provided by SOA. Double check vendor numbers for accurate color match. If there are any problems with the listed vendor numbers, please have body shop personnel contact the specific paint vendor for updated information.

The paint codes are found on the VIN Plate located on the Left Strut Tower. The color code is depicted by a solid color or by a combined upper and lower color.

- Example:** 1) Color Code: 22G = San Remo Red  
 2) Color Code: 35J = Regal Blue Pearl

**CAUTION: VEHICLE SERVICING PERFORMED BY UNTRAINED PERSONS COULD RESULT IN SERIOUS INJURY TO THOSE PERSONS OR TO OTHERS.**

Subaru Service Bulletins are intended for use by professional technicians ONLY. They are written to inform those technicians of conditions that may occur in some vehicles, or to provide information that could assist in the proper servicing of the vehicle. Properly trained technicians have the equipment, tools, safety instructions, and know-how to do the job correctly and safely. If a condition is described, DO NOT assume that this Service Bulletin applies to your vehicle, or that your vehicle will have that condition.
